Acer Makes It Easy - mpowering Technology
Now you have more reasons to own an Acer Notebook.

Acer SignalUp Technology
Creates 3-dimensional signals with multi-antennas for stronger connectivity, improving wireless performance by 20-40% even on the outer limits of coverage.

Acer eManager
Simplifies user experience by putting previously hard-to-access controls at your fingertips!
- eDataSecurity - encrypts files to prevent unauthorized access.
- eLock - secures removable data and optical drives for maximum data protection.
- ePerformance - maximizes system memory use and application response times.
- eRecovery - creates backups and recovers system configurations reliably.
- eSettings - quickly find adjust preferred settings such as display, boot options and security.
- ePower - uses pre-configured or customised settings for more efficient system power usage.
- ePresentation - simplifies resolution settings when connecting to a projector.

(The above specifications are available on selected models only. Different models have different configurations. Please call for details.)

Windows®. Life without Walls™.
Acer recommends Windows 7.
